Dear Pineland Residents and Tenants,

We hope this message finds you well. As part of our ongoing efforts to maintain a safe and pleasant environment for all residents, we would like to remind you of some important community guidelines to be implemented:

**Boat and RV Parking:**

Please note that boats and RVs are not permitted to be parked in trailer lots. This policy helps ensure that our community remains organized and accessible for everyone.

However, we are pleased to offer a designated area within the community for parking boats and RVs. This area is available for a monthly fee. If you are interested in utilizing this space, please contact the management office for more details and to arrange for parking.

**Basketball Goals:**

We kindly ask that basketball goals not be placed in front of homes when not in use. This measure helps maintain the aesthetic appeal and safety of our community. Please store basketball hoops in a garage or another suitable location when they are not being used.

We appreciate your cooperation in adhering to these guidelines, which are designed to enhance the living experience for all residents of Pineland.

Should you have any questions or require further clarification, please do not hesitate to reach out to the management office.

Thank you for your attention to these matters and for being a valued member of our community.

Sincerely,

Vremco LLC, the *Property Support Team of Pineland AHC*
